WORK EXPERIENCE

1. **Water Resources and Irrigation Development Office | Dadeldhura Sudurpaccchim Nepal** — Apr.2018 - Jul.2020

   Civil Sub-Engineer

   - Prepared cost estimates and quantity take-offs for construction projects
   - Developed and interpreted technical drawings and basic design plans
   - Conducted site visits to monitor progress and ensure quality standards
   - Performed leveling and surveying for accurate project execution
   - Coordinated with team members to support efficient project delivery

2. **National Academy of Science and Technology | Teacher lesson plan and feedback system** — Aug.2025 - Nov.2025

   Project Developer

   Developed a full-stack **Teacher Lesson Plan and Feedback System** with both web and Android applications. The web system (HTML, CSS, JS, PHP, MySQL) enables **teachers to create and manage lesson plans and admins to monitor feedback**, while the Android app (Java, Firebase) allows **students to submit anonymous feedback and rate lessons** with real-time updates.

3. **National Academy of Science and Technology | pharmacy management system** — Jul.2023 - Oct.2023

   Project Developer

   Developed a desktop-based pharmacy management application using C# and SQL Server to manage medicine inventory, billing, and sales records. The system automated daily operations such as stock tracking and invoice generation, improving accuracy and efficiency in pharmacy management.

EDUCATION

- **Mahendra Secondary School** — May.2015 - Apr.2016
  Civil Sub-Overseer, T-SLC
- **Mahendra Secondary School** — Aug.2016 - Aug.2019
  Overseer, Diploma in Civil Engineering
- **National Academy of Science and Technology** — Mar.2021 - Feb.2026
  Computer **(Technical)**, Bachelor of Computer Engineering

TECHNICAL SKILLS

I have basic knowledge of computer operation, file management, software installation, and troubleshooting. I am skilled in using Microsoft Word, Excel, PowerPoint, Google Drive, Gmail, and other online tools. I also have knowledge of HTML, CSS, JavaScript, PHP, MySQL, and basic networking. I am interested in improving my technical skills and working in IT support, web development, and computer-related tasks.
